Sponsorship Opportunities

cirp2022.org

The 71st CIRP General Assembly

Welcome to CIRP 2022 General Assembly

As Conference Chairman, it is my great pleasure to invite you to sponsor the 71st CIRP General Assembly held in Bilbao (Spain) on 21-27 August 2022.

The CIRP General Assembly is an annual event, globally recognized as a leading conference devoted to production engineering and attracting on the order of 700 leading international researchers. It is commissioned by the CIRP, **THE INTERNATIONAL ACADEMY FOR PRODUCTION ENGINEERING** 71st CIRP General Assembly in Bilbao is hosted by Ideko, Tekniker, Mondragon Unibertsitatea and University of Zaragoza.

The conference will address many aspects of production engineering: including design approaches and tools, machines, production processes, tooling, metrology and inspection equipment.

Take this opportunity to participate by showcasing your company products and/or services to key scientists from all over the world. Should you wish to express your interest in sponsoring at this prestigious event or for more information, please contact us at info@cirp2022.org.

We hope that you will join us at this conference and we look forward to meeting you in August.

Jokin MUÑOA, Chairperson

1. The CIRP Organisation

The International Academy for Production Engineering (CIRP) is acknowledged as the world's leading organisation in production engineering research and is at the forefront of design, optimisation, control and management of processes, machines and systems.

Founded in 1951, membership of the Academy is restricted based on demonstrated excellence in production engineering research and currently has approximately 450 academics as well as 170 corporate members worldwide representing some of the top multinational companies from 45 industrialised countries. Further details on CIRP are available at https://www.cirp.net/.

2. CIRP General Assembly 2022

The General Assembly (GA) is the Academy's annual flagship event which serves as an international forum to discuss and disseminate the latest scientific knowledge and technological advancements in production engineering through rigorous peer reviewed research papers (Part 1) and technical presentations covering current projects (Part 2).

The Spanish CIRP delegation has the privilege and honor of hosting the 71st General Assembly in the city of BILBAO, which is the second time it will be held in Spain following the San Sebastian 52nd edition in 2002.

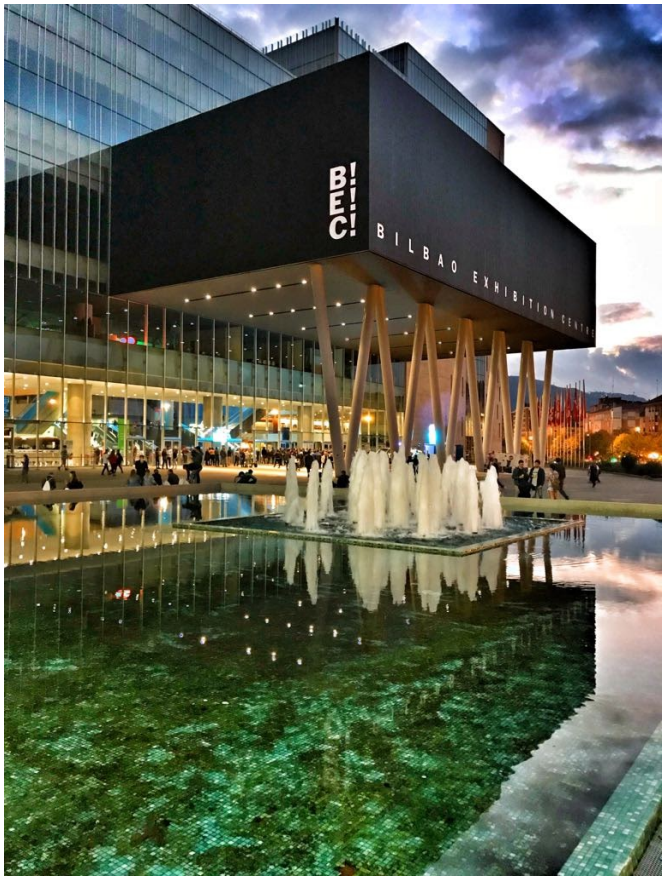

2.1. General Assembly Venue

The GA will be held at the Bilbao Exhibition Center (BEC) which offers a flexible and unique space adaptable to any event, any need. It has 5 break-out rooms for up to 500 attendees each with different conference halls and meeting rooms available, ranging from a meeting for 10 attendees to a big conference for more than 2,500 people.

- 5 break-out rooms for up to 500 attendees each
- 2 break-out rooms for up to 300 attendees each
- 5 break-out rooms for up to 80 attendees each
- 8 break-out rooms for up to 40 attendees each

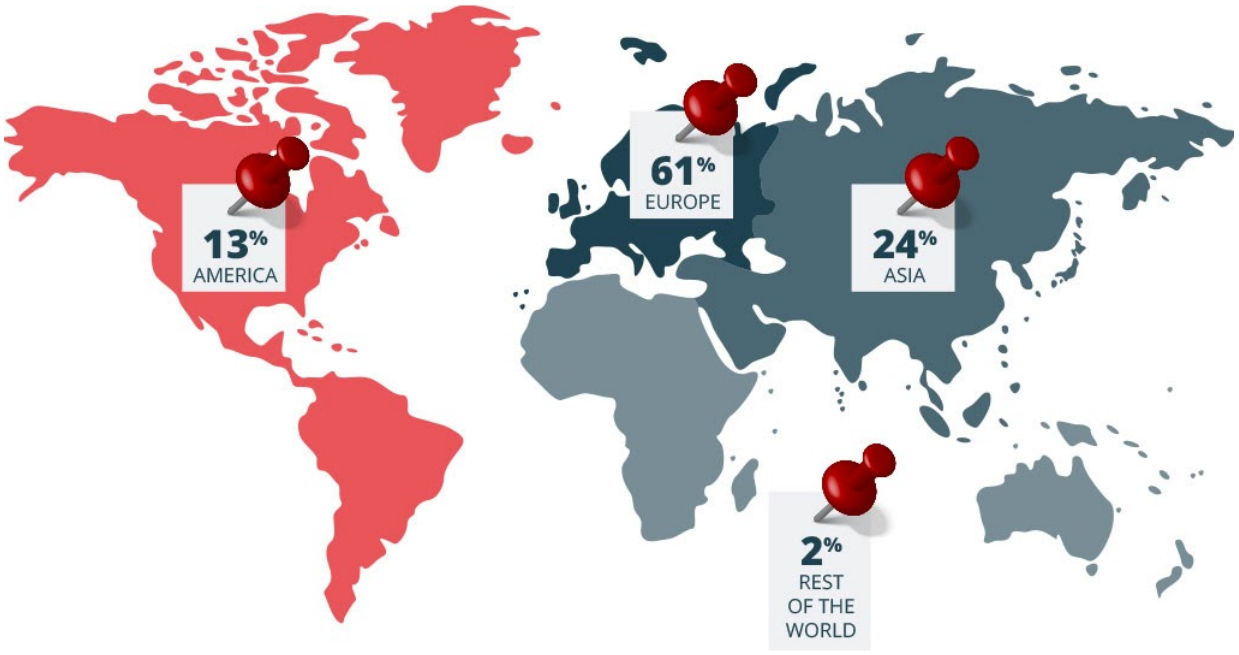

Perfectly communicated by bus or metro (L2) in whose facilities there is a stop.

2.2. Participants' procedence

CIRP2022 is a cosmopolitan conference which gathers people from around the world. This global presence can be broken down into the following share of participants by their origin.

3. Become a sponsor of CIRP GA 2022

The GA typically attracts over **700 participants** and hence offers an unparalleled opportunity to engage and establish links with some of the world's top academics, researchers and industrialists in production engineering.

Several sponsorship packages are available that will allow organisations the opportunity to support the GA and be recognised appropriately in the conference media. Additionally, there will be limited space made available in the conference venue for exhibitions of small-scale products, posters/banners or digital presentations.

The 5 different sponsorship levels and details of the exhibition package are outlined in the following section.

Diamond Sponsor 10,000€	Gold Sponsor 7,500€

• Acknowledged as Diamond Sponsor in GA website and printed programme.
• Special mention in opening/closing ceremonies.
• 3 free registrations to the GA.
• Two 6m^2 free exhibition slots if required (or can be combined to make one enlarged booth). Each exhibition booth will consist of the following:
  ○ General structure with natural-colour aluminium.
  ○ White melamine panels.
  ○ Front sign in standard lettering.
  ○ Electrical box with power sockets for electronic / electrical devices in each booth (3000w)
  ○ Lighting: 3 spotlights.
  ○ Fireproof carpet.
  ○ A table and 2 chairs
• Company logo and website link on all emails sent by the organising team promoting the GA.
• Listed as sole sponsor for one of the main GA social events i.e. Welcome Reception, General Assembly Dinner or Farewell Dinner, with company logo prominently displayed on banners, available TV screens etc., during the specific event.
• Opportunity to sponsor an item from either Category A, B or C (see details on next page).
	• Acknowledged as Gold Sponsor in GA website and printed programme.
	• 2 free registrations to the GA.
	• One 6m^2 free exhibition slot if required. Each exhibition booth will consist of the following:
	  ○ General structure with natural-colour aluminium.
	  ○ White melamine panels.
	  ○ Front sign in standard lettering.
	  ○ Electrical box with power sockets for electronic / electrical devices in each booth (3000w)
	  ○ Lighting: 3 spotlights.
	  ○ Fireproof carpet.
	  ○ A table and 2 chairs
	• Listed as sponsor for one of the delegate lunches during the GA, with company logo prominently displayed on banners, available TV screens etc., during the specific day.
	• Opportunity to sponsor an item from either Category A, B or C (see details on next page.

Silver Sponsor 4,000€	Exhibition Package 2,500€

• Acknowledged as Silver Sponsor in GA website and printed programme.
• 1 free registration to the GA.
• One 4m^2 free exhibition slot if required. Each exhibition booth will consist of the following:
  ○ General structure with natural-colour aluminium.
  ○ White melamine panels.
  ○ Front sign in standard lettering.
  ○ Electrical box with power sockets for electronic / electrical devices in each booth (3000w)
